

CODY NUGENT ANNOUNCES RUN FOR CORONER

Republican Candidate for Coroner

January 2018

Cody Nugent announces Republican candidacy for Marshall County Coroner. Cody began serving the citizens of Marshall County in funeral service in 2010. Having begun at the age of 22, he has spent most of his adult life working in funeral service and serving those in need. His passion and desire are to help guide families through the funeral process and help them move forward from the loss of a loved one. Working as a full-time Funeral Director at McRae Funeral Home in Boaz, he understands the needs of families that call on him.

Cody has gained further experience by working as a Deputy Coroner with the Marshall County Coroner's Office since 2012. Working with Marlon Killion for the last 6 years has expanded his knowledge and given him an even deeper understanding of what families need and expect of their Coroner. Serving as Coroner is more than a Monday-Friday job, the coroner is on call 24 hours a day, 7 days a week, 365 days a year. He understands the needs and demands of the office and has a support system at home with his wife, Laina, and their three-year-old son, Nolan.

The Coroner has many responsibilities and must be ready to provide services day or night when called upon. Cody knows what is required of the Coroner and where improvements may be made to better serve the citizens, funeral homes, law enforcement agencies, and other first responders of Marshall County. His training in Medicolegal Death Investigations, including Basic Certification from the University of North Dakota School of Medicine, has helped him develop skills that may be brought to Marshall County to better serve the families affected by a tragic loss. One of his main goals is to push the Coroner's Office to become a more visible entity within the county, making himself and those serving as deputies visible to the public.

Cody has lived in Marshall County since 2012 and has since become invested in the county. He has served with numerous boards and organizations including: Court Appointed Juvenile Advocates of Marshall County Board of Directors, Marshall County Leadership Challenge Alumni Association Board of Directors, The Planned Giving Council of Shepherd's Cove Hospice, and a Boaz Area Chamber of Commerce Ambassador. Cody hopes to bring new ideas, along with a young and enthusiastic attitude to the Coroner's office.

Cody humbly asks for your support and vote during the June 5th Republican Primary Election. Be sure to check out his website www.codynugent.com or find him on Facebook.
